## Professional Imaging Film

OptiJet™ Professional Imaging Film provides the best possible smoothness and gloss to make your digital images jump off the page. Professional Imaging Film offers outstanding color reproduction by providing the smoothest transition between color tones and gradients for stunning detail. It's the professional's imaging choice for studio quality imaging projects.

### Professional Imaging Film (120 gsm, 4 mil)

8.5 x 11 in.	15 sheets	12	KK005003128
--------------	-----------	----	-------------

### Double-Sided Glossy & Matte Paper

OptiJet™ Double-Sided Glossy & Matte Paper lets you create your own brochures, flyers and report covers. Photo on one side — text on the other. Superior quality delivers brilliant color and crisp detail. Dries instantly with no smudging.

#### Double-Sided Glossy & Matte Paper (185 gsm, 8 mil)

8.5 x 11 in.	10 sheets	12	IJ100000529
--------------	-----------	----	-------------

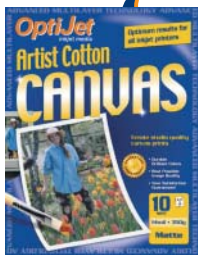

### Photo Resolution Coated Paper

OptiJet™ Photo Resolution Coated Paper is a matte-coated paper that offers excellent color brilliance, yet holds good image resolution. Economical solution for printing your own flyers, brochures, reports and resumes.

#### Photo Resolution Coated Paper (120 gsm, 4 mil)

8.5 x 11 in.	100 sheets	12	KK005003102
--------------	------------	----	-------------

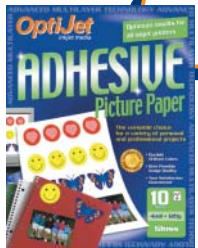

### Artist Cotton Canvas

OptiJet™ Artist Cotton Canvas is a heavyweight, woven surface that produces photos that look like an original oil painting. It is specially coated to produce sharp images and brilliant colors. Applying a “brush stroke effect” further enhances your image and is available in most photo-editing software.

#### Artist Cotton Canvas (350 gsm, 14 mil)

8.5 x 11 in.	10 sheets	12	KK005003144
11 x 17 in.	10 sheets	12	KK005003169

### Adhesive Picture Paper

OptiJet™ Adhesive Picture Paper is a versatile choice for a wide variety of your color imaging projects. After printing on the photo paper's glossy printing surface, trim, then peel the release liner to expose the adhesive, ready to apply to your project's surface. A great choice for packaging mock-ups, quick signs, name badges or custom stickers for any occasion.

#### Adhesive Picture Paper (120 gsm, 4 mil)

8.5 x 11 in.	10 sheets	12	KK005003185
--------------	-----------	----	-------------

### CD/DVD Labels and Covers

OptiJet™ CD Labels and Covers let you create custom labels and covers for your favorite CD “mixes” or DVDs. Photo Quality Glossy finish. Free software on our website.

#### CD/DVD Labels (Photo Quality)
